

# LISA CHAPPELL

*when then is now*

*Best known for her starring role as Claire in McLeod's Daughters, Lisa Chappell crosses the floor from her acting success with the ease of a true artist who has found her voice in all senses of the word.*

*Lisa's songs are story driven, and of intimate power, that take you on a journey that's ultimately uplifting.*

*Lisa's Debut album 'When then is Now' is available now through her website*

[www.lisachappellmusic.com](http://www.lisachappellmusic.com)

All songs written by Lisa Chappell  
produced by Rick Price
