

LISA CHAPPELL

when then is now

Best known for her starring role as Claire in McLeod's Daughters, Lisa Chappell crosses the floor from her acting success with the ease of a true artist who has found her voice in all senses of the word.

Lisa's songs are story driven, and of intimate power, that take you on a journey that's ultimately uplifting.

Lisa's Debut album 'When then is Now' is available now through her website

www.lisachappellmusic.com

All songs written by Lisa Chappell
produced by Rick Price
